Sir,

In submitting for your infor-
=mation the accompanying extract
from the Police Assistant Commis-
=sioner's Diary for the week ending
the 21st September last, regarding
the construction of a new Police
Station at the town of Kolar, I
have the honor to state that the
balance at the credit of the
Municipality is Rupees 43/2 and
the same being insufficient even
to meet the requirements of the
Town's people in respect of water
supply, it is in contemplation to ap-
for Government help in the matter.

Encl.

Under these circumstances, it is impossible for the Municipality to pay for a Station House at Kolar and I therefore solicit that you will be good enough to arrange for the entire cost of the building being borne by Government. If this cannot be done, I request that at least $\frac{2}{3}$ ds. of the cost may be defrayed by Government and the remaining $\frac{1}{3}$ will be met from the Municipal Funds which are not capable of contributing anything more for the purpose at present.

I have &c.
